

You have a CUSTOMER REQUEST that needs a call ASAP!

The client below has provided and confirmed the following information and has requested an agent call them for further information regarding **Mortgage Protection** coverage within 24 hours.

How was this lead generated?

The client received a postcard in the mail regarding their mortgage and per the instructions called the phone number on the postcard. They listened to a brief message that says: _____, when your loan with _____ closed on _____, you were entitled to receive information regarding mortgage protection that would pay off your mortgage in case of a death, or make your monthly payments if you are disabled and can't work. You are entitled to receive this information, but company records show that you have not. In order for us to provide you with this information, we need to ask you a few brief questions. Using the buttons on your phone please enter your age. Please tell us your gender. Do you have a co-borrower on this mortgage? Thank you for your time, a company representative will be contacting you shortly to go over our mortgage protection options. Have a great day.
